WHEREAS, the shooting incident, which many see as a gruesome massacre, must be immediately acted by the authorities through an impartial investigation that will not only pinpoint those who are responsible but will shed light as well to the reasons behind the senseless, cowardly and horrendous killing;

WHEREAS, the need for swift rendition of justice is a must especially that the senseless killing was committed at a time when the Filipino people as a nation should be united in the fight against this COVID-19 global pandemic and aggravated by a notion of trying to destabilize the peace established by mutual respect, trust, and cooperation embedded in the Organic Law;
