Resolution No: 345

**A RESOLUTION TO CREATE BANGSAMORO IRRIGATION SYSTEM AND FLOOD CONTROL MANAGEMENT TASK FORCE (BISFCMTF) THROUGH AN EXECUTIVE ORDER TO BE ISSUED BY THE OFFICE OF THE CHIEF MINISTER, AHOD B. EBRAHIM, APPROPRIATING FUNDS THEREFOR**

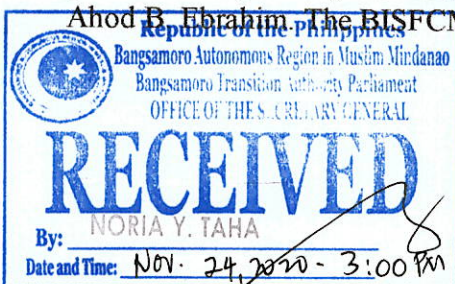

**WHEREAS**, the Bangsamoro Transition Authority formulates development efforts and adoption of various resolutions to entrench the 12-Point Agenda reflected on the eight (8) development goals of our Bangsamoro Development Plan;

**WHEREAS**, there are basic services and other important agricultural and infrastructure development programs contained in the Bangsamoro Development Plan which are meant to achieve strengthened economy, social amelioration and enhanced quality delivery of public service to the BARMM constituents;

**WHEREAS**, the Executive Branch of the Bangsamoro Parliament commenced its preparation of the proposed Bangsamoro Appropriation Act (BAA) for 2021 with consultations with the stakeholders and various ministries and offices of the BARMM;

**WHEREAS**, the proper planning, management and operation of irrigation system and flood control in the various areas in BARMM are crucial to the agricultural and social sectors especially on high yield quality rice and other important crops and healthcare;

**WHEREFORE, be it RESOLVED as it is hereby RESOLVED** that the BARMM should create **Bangsamoro Irrigation System and Flood Control Management Task Force (BISFCMTF)** through an Executive Order to be issued by the Office of the Chief Minister, Ahod B. Ebrahim. The BISFCMTF shall be the lead office that will focus on irrigation and flood

control management in the BARMM. It shall perform duties and functions that include the following, to wit:

- 1) Plan and conduct survey, mapping, assessment and study on the possible irrigable areas and the current status of the irrigation systems in BARMM along with its economic impact;
- 2) Coordinate with concerned ministries, affected local government units, stakeholders, National Irrigation Administration, and other offices for planning and addressing issues and concerns related to irrigation system development in BARMM;
- 3) Propose and implement doable quick impact programs and projects to attain its mandated purposes and objectives;
- 4) Formulate, design and recommend organizational structure, plans, policies, programs, and projects to the Office of the Chief Minister; and
- 5) Perform other tasks and programs as may be deemed necessary by the competent authority;

**RESOLVED FURTHER**, as it is hereby **RESOLVED** that the Bangsamoro Irrigation System and Flood Control Management Task Force (BISFCMTF) shall be headed by a Member of the Bangsamoro Parliament who has no concurrent executive position and designation in the BARMM government, and who shall be appointed by the Chief Minister, with corresponding authority to hire co-terminous personnel to man the task force, in consultation with the Chief Minister, for proper management and administration of its programs and activities;

**RESOLVED FURTHER**, that the BISFCMTF shall be appropriated with a fund amounting to Fourteen Million Four Hundred Twenty Thousand Pesos (Php14,420,000.00) which shall be included in the cabinet budget proposal for the BAA 2021 to be submitted by the Office of the Chief Minister to the BTA Parliament;

**RESOLVED FINALLY**, that the BISFCMTF shall be placed under the direct supervision of the Office of the Chief Minister of the BARMM;

Done this \_\_\_\_\_ day of November 2020, at City of Cotabato, BARMM, Philippines.
