It commits, among other things, to encourage and support the development of appropriate and self-reliant scientific and technological capabilities and to preserve the comfort and convenience of its inhabitants;

WHEREAS, the Bangsamoro Government must endeavor to realize the establishment of PRC Regional Office within BARMM as this will save PRC stakeholders residing within the region their hard-earned money, time, and effort, especially that many of them, such as the medical practitioners, have to go to PRC every year or two to renew their licenses or do other related transactions with the commission;

WHEREAS, recognizing the indispensability of PRC services and in light of the demand for its operation and existence within the region, the establishment of PRC Regional Office within BARMM must be given precedence;
