<sup>i</sup> Suspension of parliamentary rules by the Majority Floor Leader is necessary to enable non-BTA members to take the floor and address the Parliament e.g. children.

<sup>ii</sup> Lifting the suspension of rules at this time paves the way for Members of the Parliament (MPs) to take floor again but more importantly, allows for the resolution for children to be proposed, deliberated and then adopted by MPs.

APPROVED:

MP ATTY. LANANG T. ALI, JR.  
Majority Floor Leader
