**RESOLUTION PROVIDING THE RULES AND PROCEDURES
GOVERNING BANGSAMORO TRANSITION AUTHORITY (BTA) PARLIAMENT
INQUIRIES IN AID OF LEGISLATION**

WHEREAS, Article VII, Section 5(d) of RA 11054 otherwise known as the Bangsamoro Organic Law provides that Bangsamoro Parliament has the power to conduct inquiries in aid of legislation;

WHEREAS pursuant to its power to conduct an inquiry, the Parliament may investigate issues of public interest, and thereafter decide whether legislation is necessary to address the same;

WHEREAS, the Parliament may conduct inquiries and investigations to check on the alleged abuses and excesses in the exercise of government powers, as well as to inquire about matters involving private individuals or issues affecting different sectors;

WHEREAS, the Bangsamoro Organic Law, in granting said authority to the Parliament, mandates that the rights of a person appearing in or affected by such inquiries shall be respected;

WHEREAS pursuant to the foregoing premises, it is now imperative that the Rules of the Bangsamoro Parliament Governing Inquiries in Aid of Legislation must be adopted;

NOW, THEREFORE, BE IT RESOLVED as it is hereby resolved by the Bangsamoro Parliament to adopt the RULES AND PROCEDURES GOVERNING BANGSAMORO PARLIAMENT INQUIRIES IN AID OF LEGISLATION by providing the following:

SECTION 1. Power to Conduct Formal Inquiries or Investigations. - The BTA Parliament or any of its Committees may conduct formal inquiries or investigations in aid of legislation in accordance with these Rules.

Such inquiries may refer to the implementation or reexamination of any law or appropriation, or in connection with any proposed legislation or the formulation of, or in connection with future legislation, or will aid in the review or formulation of a new legislative policy or enactment.

SEC. 2. Initiation of Inquiry. - Inquiries may be initiated by the BTA Parliament or any of its Committees if the matter is within its competence, or upon petition filed or upon information given by any Member of BTA Parliament or by any person not a member thereof.

SEC. 3. Petition by a Member of BTA Parliament. - A petition filed or information given by a Member of BTA Parliament shall set forth the facts upon which it is based. It need not be under oath but may be accompanied by supporting affidavits. Such petition or information shall be addressed to the Speaker, who shall refer the same to the appropriate Committee.

Nothing in this provision shall preclude the BTA Parliament from referring to any Committee or Committees any speech or resolution filed by any Member of BTA Parliament which in its judgment requires an appropriate inquiry in aid of legislation.

SEC. 4. Petition by Non-Members. - A petition filed or information given by any person not a Member of BTA Parliament shall be under oath, stating the facts upon which it is based, and shall be accompanied by supporting affidavits. If the Speaker finds the petition or information to be in accordance with the requirements of this Section, he shall refer the same to the appropriate Committee.

SEC. 5. Jurisdictional Challenge. - If the jurisdiction of the Committee is challenged on any ground, the said issue must first be resolved by the Committee before proceeding with the inquiry.

If the Committee, by a majority vote of its members present there being a quorum, decides that its inquiry is pertinent or relevant to the implementation or re-examination of any law or appropriation or in connection with any pending or proposed legislation or will aid in the review or formulation of a new legislative policy or enactment, or extends to any and all matters vested by the Constitution in the Bangsamoro Parliament, it shall overrule such objection and proceed with the investigation.

Only one challenge on the same ground shall be permitted.

The filing or pendency or any prosecution of criminal or administrative action shall not stop or abate any inquiry to carry out a legislative purpose.

SEC. 6. Inquiry by One or More Committees. - The Speaker shall determine the Committee or Committees to which a speech, resolution, petition or information, as the case may be, shall be referred: Provided, however, that in cases where referral is made to two Committees, a joint investigation shall be held.

SEC. 7. Quorum. - One-third of all the regular members of the Committee shall constitute a quorum but in no case shall it be less than two. The presence of ex officio members may be considered in determining the existence of a quorum.

SEC. 8. Preliminary Determination. - Except in cases of bills and resolutions (which do not call for an investigation or inquiry filed for consideration, the Committee to which a speech, resolution, petition, or information has been referred by the Speaker shall meet within five (5) days after such referral, with

proper notice to all its members, in an executive meeting to determine the action it would take thereon.

A decision to conduct an inquiry shall require the concurrence of a majority of the members present provided there is a quorum.

The decision of a Committee, whether or not to conduct an inquiry, shall be reported to the Committee on Rules. The Committee on Rules shall then regularly inform the BTA Parliament of such action taken by the Committee.

SEC. 9. Internal Rules. - A Committee which decides to conduct an inquiry may adopt internal rules of procedure for such inquiry, subject to these Rules.

SEC. 10. Rule of Evidence. - Technical rules of evidence applicable to judicial proceedings which do not affect substantive rights need not be observed by the Committee.

SEC. 11. SEC. 12. Testimony Under Oath. - All witnesses at executive sessions or public hearings who testify as to matters of fact shall give such testimony under oath or affirmation. Witnesses may be called by the Committee on its own initiative or upon the request of the petitioner or person giving the information or any person who feels that he may be affected by the said inquiry.

SEC. 13. Transcript of Testimony. - A complete and accurate record shall be kept of all testimonies and proceedings at hearings, both in public and in executive sessions. Any witness or his counsel, at his expense, may obtain a transcript of any public testimony of the witness from the Committee Secretary. Any witness or his counsel may also obtain a transcript of his testimonies given in executive sessions under the following conditions:

(1) When a special release of said testimony prior to public release is authorized by the Chairman; or (2) after said testimony has been made public by the Committee.

SEC. 14. Right to Counsel. - (1) At every hearing, public or executive, every witness shall be accorded the right of having a counsel of his own choice; and (2) Except as provided in the Internal Rules of the Committee on Ethics and Privileges, the participation of counsel during the course of any hearing and while the witness is testifying shall be limited to advising said witness as to his legal rights. Counsel shall not be permitted to engage in an oral argument with the Committee, but shall confine his activity to the area of legal advice to his client.

SEC. 15. Conduct of Counsel. - Counsel for a witness shall conduct himself in a professional, ethical and proper manner. His failure to do so shall subject such counsel to disciplinary action which may include a warning, censure, removal from the hearing room, or punishment for contempt.

In such case of such removal of counsel, the witness shall have a reasonable time to obtain another counsel. Should the witness deliberately or capriciously fail or refuse to obtain the services of another counsel, the hearing shall continue and the testimony of such witness shall be taken.

SEC. 16. Statement of Witness. - (1) Any witness desiring to make a prepared or written statement for the record shall file a copy of such statement with the Committee Secretary not less than twenty-four (24) hours in advance of the hearing at which the statement is to be presented; and (2) All such statements or portions thereof so received which are relevant and germane to the subject of the investigation may, at the conclusion of the testimony of the witness, be inserted in the official transcript of the proceedings.

A majority of all the members of the Committee may, however, reverse or modify the aforesaid order of contempt within seven (7) days.

A contempt of the Committee shall be deemed a contempt of the Bangsamoro Parliament. Such witness may be ordered by the Committee to be detained in such place as it may designate under the custody of the Sergeant-at-Arms until he/she agrees to produce the required documents, or to be sworn or to testify, or otherwise purge himself/herself of that contempt.

will incriminate him is propounded to him. However, he may offer to answer any question in an executive session.

No person can refuse to testify or be placed under oath or affirmation or answer questions before an incriminatory question is asked. His invocation of such right does not by itself excuse him from his duty to give testimony.

In such a case, the Committee, by a majority vote of the members present there being a quorum, shall determine whether the right has been properly invoked. If the Committee decides otherwise, it shall resume its investigation and the question or questions previously refused to be answered shall be repeated to the witness.
